

Helpful Hints for ArcGIS Online Competition

Entries to the ArcGIS Online Competition for US HS+MS need to be either "presentations," "web apps," or "story maps." There are various pointers to each of these, and more all the time. As I encounter more, I will add to this list, and encourage you to reply to this post with other publicly visible helping hints.

Presentations

1. AGO Help Doc: [Create presentations—ArcGIS Online Help | ArcGIS](#)
2. Good visual example in a blog: [Create a Presentation With Your Map | ArcGIS Blog](#)
3. Example Presentation: <http://esriurl.com/recentquakespres>

Web Apps

1. AGO Help Doc: [Create apps from maps—ArcGIS Online Help | ArcGIS](#)
2. Get Started with Apps: [Getting started with Apps, from ArcGIS Online Help](#)
3. Web AppBuilder: [Build powerful apps, from ArcGIS Online Help](#)
4. Example Web App: <http://esriurl.com/recentquakesapp>

Story Maps

1. AGO Help Doc: [Choose a configurable app—ArcGIS Online Help | ArcGIS](#)
2. Story Maps "Apps" page: [Apps | Story Maps](#)
3. Designing Story Maps to Change Hearts & Minds booklet: <http://esriurl.com/StoryMapBooklet>
4. Updated collection of earlier blog post with story maps showing analysis: [Esri Insider blog post by Dawn Wright](#)
5. Ten Things you can do with Story Maps: [Esri ArcGIS blog post by Bernie Szukalski](#)
